AUSMAT PROGRAMME STRUCTURE

STRUCTURE

The AUSMAT programme is delivered over two semesters (January and March intakes) or three semesters (September intake).

ASSESSMENT AND EXAMINATIONS

AUSMAT offers a balanced assessment approach of 50% school assessment and 50% external examinations.

The school assessment component removes the pressure associated with a single high-stakes end-of-year examination. A variety of assessment methods such as tests, quizzes, assignments, investigations, research, presentation, and examinations will develop students as versatile learners.

Officers appointed by the School Curriculum and Standards directly supervise and conduct examinations. Moreover, all external examination scripts are sent to Western Australia for marking.

CALCULATION OF ATAR

AUSMAT provides the benefit of calculating a student’s score based on ‘Best 4-ATAR’ subjects. These scores are then ranked for the Australian Tertiary Admission Rank (ATAR) for university applications.

ENTRY REQUIREMENTS

Passed SPM, O-Level or equivalent with minimum five (5) credits.

A-LEVEL PROGRAMME STRUCTURE

STRUCTURE

The Cambridge A-Level curriculum provides a bedrock of foundational knowledge and comprehensive coverage in the breadth and depth of subjects offered. Students are assessed on their mastery of subject matter, their application of knowledge, understanding of everyday scenarios and their ability to think critically in unfamiliar situations. In the Sciences, a fair part of the assessment involves demonstration of laboratory-based skills.

ASSESSMENT AND EXAMINATIONS

The A-Level syllabus is divided into AS Level, the first half of the programme, which forms the foundation of A-Level (A2). The A2 Level is the second part of the syllabus and covers more advanced topics. Each level contributes 50% towards the final A-Level grade.

The examination papers for both the AS and A2 Levels are set and marked by examiners from Cambridge International Examinations.

SUCCESSFUL COMPLETION OF THE PROGRAMME

A student must pass a minimum of eight different units to complete MUHY successfully. At least six of the eight units must be derived from three subjects i.e. there must be at least three complete subjects. One of the three complete subjects must be English. The remaining two units can be derived from either the same subject or from different subjects.

MUHY PROGRAMME STRUCTURE

STRUCTURE & MODE OF LEARNING

MUHY is a two semester programme which is available across multiple intakes and offered in two formats:

- Standard programme, commencing in January, March and July. Students study 4 units in semester 1 and another 4 in semester 2.
- Intensive programme, commencing in August. Students study 3 units in semester 1 and 5 units in semester 2.

MUHY is delivered on a blended learning format which combines face-to-face instruction with self-directed learning delivered on an e-learning platform. To cope with this learning approach, students are advised to bring their own electronic devices i.e. laptop or tablet.

ASSESSMENT AND EXAMINATIONS

Students are assessed through coursework (e.g. assignments, class tests, research projects, presentations) and final examinations. Coursework constitutes 70% of the total score while the remaining 30% is based on final examinations.

The MUHY programme scoring scale is determined as follows:

<table>
<thead>
<tr>
<th>GRADE SCORE</th>
<th>(%)</th>
</tr>
</thead>
<tbody>
<tr>
<td>HD (High Distinction)</td>
<td>80 - 100</td>
</tr>
<tr>
<td>D (Distinction)</td>

</tr>
<tr>
<td>C (Credit)</td>
<td>60 - 69</td>
</tr>
<tr>
<td>P (Pass)</td>
<td>50 - 59</td>
</tr>
<tr>
<td>N (Fail)</td>
<td>0 - 49</td>
</tr>
</tbody>
</table>

CALCULATION OF THE MUHY SCORE

To arrive at the MUHY score, the passed marks obtained from all eight units are added up and then divided by eight. Bonus marks are awarded to students who complete nine or ten units in two semesters.

SCHOLARSHIPS & FINANCIAL AID

**JEFFREY CHEAH ENTRANCE SCHOLARSHIP**
This Scholarship is offered to all students in recognition of their excellent academic achievements prior to admission into Pre-University Studies in Sunway College. Partial and full scholarships are disbursed according to students’ academic results in SPM / O-Level.

**JEFFREY CHEAH ACE SCHOLARSHIP**
This Scholarship is offered to all Sunway College Pre-University and Foundation Studies students progressing into undergraduate programmes at Sunway University and Victoria University’s Bachelor of Business.

**TALENT SCHOLARSHIP (SPORTS)**
Awarded to students who are actively involved in sports at state / national level.

The Jeffrey Cheah Foundation (JCF) is founded on the fundamental premise of giving to society. In line with the spirit of the Foundation, good education at the highest level should not be denied to those deserving, and for those from disadvantaged backgrounds. JCF scholarships create opportunity for all deserving students to succeed in life. JCF safeguards its institutions for the purpose of providing and sustaining quality education for present and future generations of students.

**EXPLORE YOUR FULL POTENTIAL**

EXPLORE is a self-development program for Pre-University students designed by the Sunway Career Services of Student LIFE. It is tailored specifically for Pre-University students and prepares them for college life and beyond.

Activities organised by EXPLORE include on-campus seminars, talks and workshops. The most well-known of these are the EXPLORE Tea Time Talks, where speakers and trainers are brought in to have a quick one-hour session, with topics covering areas of soft skills, study skills and industry-specific sharing.

EXPLORE also organises exploration trips to companies from various industries which includes a mixture of company presentations, exhibitions and office tour. This provides students a platform and opportunity to explore further on various industries, professions and career paths.

Other events such as career exploration fairs, career interest tests and more are lined up, and will be publicised via email, Vine and the Sunway Career Services Facebook page.

The EXPLORE program is flexible and caters to every student’s schedule via a ‘stamp’ system that must be completed within a year of joining. Every EXPLORE event awards training stamps to EXPLORE members, which are collected on a card given at registration. Upon completion of the card (8 stamps), members are awarded a certificate of completion, signed and endorsed by Sunway College and the Director of Student LIFE.
