SUNWAY DIPLOMA STUDIES

Pathway to a Brighter Future
The Sunway Diploma Studies at Sunway College prepares our students for present and future jobs with knowledge and expertise of the 21st century. In this new globally interconnected economy, industries are demanding new competencies and skills. At Sunway Diploma Studies, we integrate skills and attributes such as learning & innovation skills, information media & technology skills and life & career skills in our curriculum. It takes more than just knowledge to be competitive in today’s job market and to be relevant for future jobs.

The Sunway Diploma Studies pathway offers students various opportunities to explore their interest and future career options. Sunway Diploma programmes provide a wide range of experiences which enhance graduate employability and job readiness. We practise Work-Integrated Learning which offers students authentic work experience, industry-linked projects, industry study trips, simulations of solving day-to-day challenges, opportunities to gain professional skills that put knowledge into practice, voluntary projects, competitions & exhibitions, seminars & workshops, TED Talks and online activities.
Kick-start your career pathways with our Sunway Diploma programmes towards a degree, professional qualification or early employment.

The Sunway Diploma Studies provides an academic bridge and a firm foundation for students’ academic pathways. Students can choose to progress for a professional qualification or tertiary studies. With Sunway Diploma programmes, students have the advantage of a fast track progression towards their future career.

Students at Sunway Diploma Studies build e-portfolio as their personal record for all academic, professional and co-curricular achievements as well as experiences. The Sunway Diploma together with individual student’s e-portfolio will enhance the student’s employability for a rewarding career or a maximum exemption from professional examinations and universities.

Lecturers and Placement Advisors assist students with information on career choice, university applications and students’ placements at universities of their choice, internships, professional and job placements.
In a competitive business environment, professionals and executives are required to possess essential business skills, knowledge and understanding in order to excel in the ever-changing business world. Sunway College’s Certificate in Business Studies programme aims to prepare students for such environment. It also equips students with the basic knowledge and skillsets needed in the field of business administration.

Students will acquire strong communication, basic business technical, entrepreneurial, life and career, and information technology skills which will enable them to solve business-related problems.

Students will be able to gain the necessary skills through the provided exposure in the areas of Business Administration such as Marketing, Management, Economics, and Basic Accounting.

Studying at Sunway College campus offers students a modern learning environment that will enable students to achieve their aspirations.

Upon successful completion of this programme, you will be able to:
• Acquire basic business knowledge;
• Perform basic business technical skills effectively and ethically;
• Use basic tools and techniques in solving task-related problems;
• Acquire basic entrepreneurial knowledge;
• Demonstrate teamwork, interpersonal and social skills; and
• Use the skills and principles of lifelong learning in their academic and career development.

INTERNERSHIP

Sunway University
- BA (Hons) in Communication
The Diploma in Interactive New Media (DINM) at Sunway College provides a direct entry into the BA (Hons) in Communication at Sunway University upon meeting Sunway University’s requirements.

The programme has been designed to expand students’ creative potential through the combination of theory and practical work in many aspects of new media where students will be taught the conceptual development and production of media content, equipping them with the skills, knowledge and attitude required to provide graphic design and interactive solutions. This programme is also designed to produce skilful graduates in Communication and Interactive New Media.

Apart from basic Communication and New Media subjects, students will learn about and practice to use design and part of multimedia authoring tools such as Adobe applications (Flash, Photoshop, Illustrator, etc) to edit various forms of media accordingly to create multimedia presentation, graphic design, websites, short videos and films, and many other interactive applications.

DINM also educates and equips students to acquire the skills necessary to communicate ideas and stories over different media. Graduates of the programme will be qualified to attain and excel in entry-level positions in the digital media industry. Excellent choice for creative people who are interested in designing, manipulating and composing design elements (text, image, video, audio and animation) in order to produce a new graphic design, production, multimedia application or presentation.
Malaysian and International students are required to pass the MOHE General Studies subjects.

For more information, kindly visit www.ptptn.gov.my

Employee’s Provident Fund (EPF)

Parents can withdraw funds from their EPF account to finance their child’s education of choice.

For more information, kindly visit www.kwsp.gov.my
The ISO 9001:2015 certified Library is one of the largest libraries for private educational institutions in Malaysia. Equipped with the latest library technology, Sunway Campus Library is linked worldwide, providing easy access to international e-databases and thousands of e-journals.

Its spacious 72,000 square feet of floor space provides a variety of learning spaces including individual and collaborative learning. Viewing Zone, Group Project Pods, Training Rooms, Instructional Lab, Drink and Phone Area, and Computer clusters. Users may study in the Extended Hour Study Area until 2.00 am every day.

Our library is ever growing with a huge variety of books, e-journals, online e-databases, audiovisual and other collections to support the teaching, learning and research efforts of the academic community at Sunway College KL.
EAT. PLAY. MOVE.
Eat and chill out at the spacious on-campus cafeteria, nearby off-campus restaurants and food centre, or at the endless variety available at Sunway Pyramid mall — only a Canopy Walk away.

SAFETY & SECURITY
The campus values security and have therefore set up a 24-hour Security and Auxiliary Police & Security personnel who are accorded full-fledged auxiliary police status.
Whenever a student feels under the weather, they can make their way to the sick bay. Endearingly known as Nightingale Bay, it is located at the Ground Floor of South Building West, Sunway College where a matronly Registered Nurse is on duty and well-equipped to handle minor ailments.

RESIDE ON CAMPUS
Plus points — no traffic jam, convenient to get to classes, opportunity to meet new friends. Three types of on-campus accommodation available: Sun-U Apartment, Sun-U Residence and Sunway Monash Residence.

Sunway College offers various types of excellent on-campus accommodation, with priority given to outstation and international students. All hostel units are a mere walk from everything a student would want or need.
Sunway City is home to world-class retail, hospitality, leisure and healthcare amenities, offering a safe lifestyle with high-technology surveillance cameras and auxiliary police and security guards.

Everything is within walking distance connected by pedestrian-friendly tracks, allowing students to fully immerse in an all-encompassing campus township lifestyle. Sunway City is also connected to the city by an efficient network of public transportation.

An award-winning multi-themed park, Sunway Lagoon is fun for all and regularly play host to international performances making it a vibrant event hub.

Sunway University has established a reputation both in Malaysia and overseas, as an inspiring educational leader. Perfectly harnessing the highest quality of academic personnel and an exceptional portfolio of local and international programmes reflective of a global educational powerhouse.

Connected to Sunway Pyramid, these trendy hotels are convenient places for visiting families and friends to stay.
